Friday August 28, 2009

Please fill in this form and post to:

Dianne Longley, Convenor

SA Printmaking Forum

PO Box 373

Hindmarsh SA 5007

The South Australia Printmaking Forum was initiated by the Print Council of Australia to more fully represent regional and interstate printmakers. Adelaide Centre for the Arts provided the forum venue.

Funding from Arts SA assisted the presentation of the 'Building Pathways' workshop, and the commissioning of profile articles by three South Australian writers on three South Australian printmakers. The profiles are published in the Spring 2009 issue of IMPRINT.

Government of South Australia

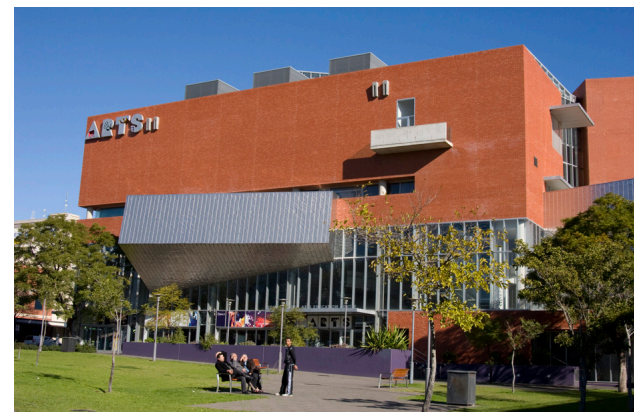

Arts SA

Australian Print Council 2009 Print Commission prints were sponsored by Canson Australia.

The Helpmann Academy supported the lectures by Sasha Grishin AM, FAHA, The Sir William Dobell Professor of Art History, Australian National University.
